I need more,more,more
Jesus more of you
I need so much more
Jesus more more

When I have been all used up
fill me like an empty cup
when it seems that I've had enough
I'll still need more more more

The hunger inside of me
my spirit and soul agree
I've tasted and now I see
I need more of you

I need more,more,more
Jesus more of you
I need so much more
Jesus more more

If I'm in the desert place
or dry as a empty vase
fill me up til its to the top
I'll still need more more more

Like number go to infinity
or an endless eternity
like the universe just goes on and on
I need more of you

I need more,more,more
Jesus more of you
I need so much more
Jesus more more

Lord, I need more
I need more
I need more
ohhh

I need more,more,more
(i need more)

Jesus more of you
(more of you)
I need so much more
(so much more)
Jesus more more more

(I need, I need)
I need more,more,more
(when I've been all used up)
Jesus more of you
(God fill my empty cup)
I need so much more
(and when it seems I've had enough, I'll still need more
more more)
Jesus more more more
repeat in spanish
