Verse:

It is my desire
To live in Your presence
To live in Your power
Bask in Your glory
I want to be more like You
Cleanse my heart
Renew my mind
Until my life brings You joy
Until my life brings You joy

Repeat Verse:

It is my desire
To live in Your presence
To live in Your power
Bask in Your glory
I want to be more like You
Cleanse my heart
Renew my mind
Until my life brings You joy
Until my life brings You joy

Bridge:

Everyday I want to stay
Right here in Your glory
In You there's life
In You there's strength
I long to be in Your presence
Cleanse my heart
Renew my mind
Until my life brings You joy
Until my life brings You...

Vamp:

My desire to live in Your presence
My desire to live in Your presence oh Lord

Repeat Vamp till fade:

My desire to live in Your presence
My desire to live in Your presence oh Lord
