(Hook)

Fire, Fire

Your consuming fire

Your glory and Your awesome power

Shall be revealed

This very hour

(Verse 1)

We have gathered

In this place to

Make a joyful noise

Clap our hands and

Shout and dance and

Trade our sadness for joy

(Channel)

As we come into this place

Worship You and seek Your face

And as we praise and lift You up

We find Your presence, Your presence

(Verse 2)

With such great anticipation

Lord we cry out loud

For that awesome visitation

From the glory cloud

(Bridge)

Just like the Pentecostal rain, rain

Shower down on us again

They were all with one accord

Lifting their hands and

Worshipping the Lord

(Repeat Hook)

(Repeat Verse 2)

(Repeat Bridge)

(Repeat Hook 2x)

Just like the Pentecostal rain, rain
