Wonderin' who I would be
If you were sleeping next to me
Would this room feel alive?
Empty walls are closing in
Feel your breath dance on my skin
Shut the doors in my mind
You never know what you might find
When you fly like life
Like life is blind

Chorus:
I don't know what tomorrow brings
But I'm not gonna wait and let it break me
(Sleep and let it wake me)
All I know is that I can't breathe
(I can see)
So I'll go where the wind decides to take me
I don't know, I don't know
Just let go

Wonderin' what I would say
If I permit myself to change
Let you live in my eyes

I'll do my best to not behave
Fearlessly I'll be afraid
Never walk a straight line
You never know what you might find
When you fly like life
Like life is blind

Chorus:
I don't know what tomorrow brings
But I'm not gonna wait and let it break me
(Sleep and let it wake me)
All I know is that I can't breathe
(I can see)
So I'll go where the wind decides to take me
I don't know, I don't know
Just let go

It's time to let go

It's time to let it go
It's time to let it go
You never know what you might find
Until you spread your wings and fly
