I'm missing your bed
I never sleep
Avoiding the spots where we'd have to speak,
And this bottle of beast
Is taking me home

[1.]
I'm cuddling close
To blankets and sheets
But you're not alone, and you're not discreet
Make sure I know who's taking you home.

I'm reading your note over again
There's not a word that I comprehend,
Except when you signed it
"I will love you always and forever."

[2.]
Well As for now I'm gonna hear the saddest songs
And sit alone and wonder
How you're making out
But as for me, I wish that I was anywhere with anyone
Making out.

I'm missing your laugh
How did it break?
And when did your eyes begin to look fake?
I hope you're as happy as you 're pretending.

[1.]
I am alone
In my defeat I wish I knew you were safely at home

I'm missing your bed
I never sleep
Avoiding the spots where we'd have speak, and
This bottle of beast is taking me home.

[2.]
Your hair, it's everywhere.

Screaming infidelities
And taking its wear.
[Repeat Four times]
