Ooh..

I'm not  
You average type  
Of girl  
I'm gonna show  
The world  
The strength in me  
That sometimes they can't see

I'm about to  
Switch my style  
And soon things may get wild  
But I will prove  
I can conquer anything

So from my head to toe  
I'm taking full control  
I'll make it on my own  
This time  
(Better watch me shine)

CHORUS:  
Better watch out  
Going for the knockout  
And I won't stop  
Till I'm on top now  
Not gonna give up  
Until I get what's mine  
Better check that  
I'm about to upset  
And I'm glad now  
So you better step back  
I'm taking over  
So watch me shine

So  
Get ready  
Here I come  
Until the job is done  
No time to waste

There's nothing stopping me  
Oh  
But you don't hear me though  
So now it's time to show  
I'll prove I'm gonna be  
The best I can be

So from my head to toe  
My mind body and soul  
I'm taking full control  
This time

CHORUS:

Better watch out  
Going for the knockout  
And I won't stop  
Till I'm on top now  
Not gonna give up  
Until I get what's mine  
Better check that  
I'm about to upset  
And I'm glad now  
So you better step back  
I'm taking over  
So watch me shine

BRIDGE:

Bet you don't think

I can take it  
But my mind and body  
Are strong  
Bet you don't think  
I can make it  
It won't take long  
Bet you don't think  
I can take it  
But my mind and body  
Are strong  
Bet you don't think  
I can make it  
It won't take long

Now watch me shine...

CHORUS:

Better watch out  
Going for the knockout  
And I won't stop  
Till I'm on top now

Not gonna give up  
Until I get what's mine  
Better check that  
I'm about to upset  
And I'm glad now  
So you better step back  
I'm taking over  
So watch me shine

Now watch me shine...

CHORUS:

Better watch out  
Going for the knockout  
And I won't stop  
Till I'm on top now  
Not gonna give up  
Until I get what's mine  
(Until I get what's mine...)  
Better check that  
I'm about to upset  
And I'm glad now  
So you better step back  
I'm taking over  
So watch me shine

Watch me...  
Watch me shine...  
Watch me
