A girl asked a boy do you think that I'm pretty well we
do it forever over you all the way You're pretty much
amazing You've been there for me together we're
beautiful I want you to stay

Hey! Come On!
I know what you're thinking
Hey come here I want to see you again
Oooh! Your sweet. You're so eye candy
I can tell that we're gonna be friends

You're pretty much amazing! (who hoo!)
You're pretty much amazing!
You're pretty much amazing! (who hoo!)
You're pretty much amazing!

I get the best feeling in the world from you
When you give me a smile or just say "Hi"
I know for the minute you're thinking of me
I'm lucky I found you it's my favorite ride

Hey! Come on! I know what you're thinking
Hey! Come here! I want to see you again
Oooh! It's sweet. You're so eye candy
I don't ever want it to end

You're pretty much amazing! (who hoo!)
You're pretty much amazing! The way that you are
You're pretty much amazing! (who hoo!)
You're pretty much amazing! Come and drive in my
car!

You're pretty much amazing! (You'll do it for me)
You're pretty much amazing! (your personality)
You're pretty much amazing! (I like you're style)
You're pretty much amazing! (Let's hang for a while)

You're pretty much amazing! (Who Hoo!)
You're pretty much amazing! (yah ha)
You're pretty much amazing! (The way that you are)
You're pretty much amazing! (Come and drive in my
car)

You're pretty much amazing! (You'll do it for me)
You're pretty much amazing!
