We should shine a light on  
A light on  
And the book of right-on is right on  
It was right on

We should shine a light on  
A light on  
And the book of right-on is right on  
It was right on

I killed my dinner with karate  
Kick 'em in the face, taste the body  
Shallow work is the work that I do

Do you want to sit at my table  
My fighting fame is fabled  
And fortune finds me fit and able

And you do say, oh  
That you do pray, oh oh  
And you say  
That you're okay  
And do you want to run with my pack  
And do you want to ride on my back  
Pray that what you lack does not distract  
And even when you ruin through my mind  
Something else is in front, you're behind  
And I don't have to remind you  
To stick with your kind

And you do say, oh oh  
That you do pray, oh oh  
And you say  
That you're okay

And even when you touch my face  
You know your place

And even when you touch my face  
You know your place

And we should shine a light on

A light on  
And the book of right-on is right on  
It was right on

And we should shine a light on  
A light on  
And the book of right-on is right on  
It was right on
