Day after day I danced in your shade  
My smile hid the pain  
And I stored it away  
As your credits rolled by  
I stood as your prize  
But I was craving so much more  
Oh I was wasting away  
Tell me why oh tell me why  
Is it easier to hurt myself  
Than simply say

Chorus:

I don't love you,  
I don't need you,  
I don't want to understand  
Saying you love me  
Makes it too easy  
You can't fix me this time  
Cause I'm broken  
Ooh broken, we're broken

Night after night  
I thought I could lie  
But it was burning a hole

Chorus:

I don't love you,  
I don't need you,  
I don't want to understand  
Saying you love me  
Makes it too easy  
You can't fix me this time  
Cause I'm broken  
Ooh broken, we're broken

I should feel guilty but I don't  
We should stop, but we won't  
Love is complicated always  
In your eyes I see the pain  
Boy you know I feel the same  
Love is complicated always
