I know that it might sound strange  
But you made my seasons start to change  
It happened so suddenly  
Like heaven has waited up for me

I've just been looking so long  
Kept meeting my Mr.wrong  
In every model and every size  
Now my fantasy is staring at your eyes

Sometimes you think I'm beautiful  
But I don't know  
I'll keep it to myself  
You say it. It feels wonderful  
My smile can show  
I'm lost in paradise

The letters you wrote to me  
Showed me the signs I've never seen  
I thought every man I'd want  
Falls out of a dating magazine

But now I know that with you  
That was so far from the truth  
On every page and every line  
Now you've my everything  
I guess you know how to read my mind

Sometimes you think I'm beautiful  
But I don't know  
I'll keep it to myself  
You say it. It feels wonderful  
My smile can show  
I'm lost in paradise

I know  
I guess that it shows  
The message that flows to me  
Make it more worth than make believe

Sometimes you think I'm beautiful  
But I don't know

I'll keep it to myself  
You say it. It feels wonderful  
My smile can show  
I'm lost in paradise

Sometimes you think I'm beautiful  
But I don't know  
I'll keep it to myself  
You say it. It feels wonderful  
My smile can show  
I'm lost in paradise
