The moment I wake up  
Before I put on my makeup  
I say a little prayer for you  
While combing my hair, now,  
And wondering what dress to wear, now,  
I say a little prayer for you

Forever, forever, you'll stay in my heart  
And I will love you  
Forever, and ever, we never will part  
Oh, how I'll love you  
Together, together, that's how it must be  
To live without you  
Would only be heartbreak for me.

I run for the bus, dear,  
While riding I think of us, dear,  
I say a little prayer for you.  
At work I just take time  
And all through my coffee break-time,

I say a little prayer for you.

Forever, forever, you'll stay in my heart  
And I will love you  
Forever, and ever we never will part  
Oh, how I'll love you  
Together, together, that's how it must be  
To live without you  
Would only be heartbreak for me.

My darling believe me,  
For me there is no one but you  
Please love me too  
I'm in love with you  
Answer my prayer  
Say you love me too  
Why don't you answer my prayer, yeah  
You know every day I say a little prayer  
I say, I say I say a little prayer
