Place your ear to the ground and cringe from the  
sound  
For the authority driven wolves strut closer with a  
mocking grin etched  
Across their faces  
Marching along with tucked shirts and rust covered  
badges of  
Acknowledgment  
Choking on their triggers and sweeping their unjust  
under the damp crimson  
Rug  
Prejudice? discrimination? or just for amusement and  
exploitation?  
A broken record that continues to breed, a  
dismembered system that  
Everlastingly succeeds  
Tonight this adolescent says hello to his ruination,  
Tomorrow the wolves continue their domination  
Domination!  
Place your ear to the ground and cringe from the  
sound  
For the authority driven wolves strut closer with a  
mocking grin etched  
Across their faces  
Marching along with tucked shirts and rust covered  
badges of
