They instantaneously demand torture and crucifixion to  
the bringer of a  
Profound truth revolt.  
Placing the hostage in imprisonment for unmasking the  
repulsive face of  
Ongoing corruption.  
Chained and subjected to vulgar, personality-erasing,  
insanity-inducing  
Conditions of nauseating isolation.  
Unleashing the smear campaign triggered to dilute.  
Belittle a life of  
Nihilism.  
A weathered soldier convicted with treason,  
incarcerated and tormented  
Without constitutional prosecution.  
Beaten as an unfaithful Judas, confined into a tomb of  
solitary, blackened  
Slumber.  
Left in solitude to slowly rot for opening the eyes of  
corruption.
