VERSE 1-

Looking from a window above
It's like a story of love
Can you hear me
Came back only yesterday
I'm moving further away

Want you near me
All I needed was the love you gave

-HOOK-

All I needed for another day
Only you
And all I ever knew

-VERSE 2-

Sometimes when I think of your name
And I need you
It's getting harder to stay
When it's only a game

Listen to the words that you say
When I see you

-HOOK-

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

All I ever knew
All I needed was the love you gave
All I ever knew

-HOOK-

All I needed for another day
And all I ever knew
Only you

-VERSE 3-

This is gona take a long time

And I wonder what's mine

Wonder if you'll understand
Can't take no more
It's just the touch of your hand
Behind a closed door
-HOOK-

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you
