

Job For A Cowboy "Regurgitated Disinformation"

Visit "[Regurgitated Disinformation](#)" on MotoLyrics.com

Falsehood projects from a day to day instrumental
broadcast

That flows through the net of mass media

The lungs swell as the puppets speak to the public

As their words grow limbs to crawl and give birth to
ignorance

Reports endlessly drift and cloak reality

Leaving mass audiences to believe into layers of fiction

The hellish elite pull the vulnerable strings of
journalism

With the mastery of everyday blood money and
ultimatums

The boundless flavor of dominance on the starved
tongue

Gives these kings a mental state of ambitious arousal

For corruption steadily trickles from their fingertips

And showers into the pool of forged mental assurance
at their feet

The sleeping masses live on their so called tranquil
lifestyle, lifestyle

They sleep and wake utterly blindfolded in a
regurgitated fashion

Money will always equal dominance above law and
above government

Disinformation will constantly leave a nation, a nation

As a forever sleeping giant due to the ongoing voice of
propaganda
