Never, never have I felt like this before  
Forever, I just wanna be forever yours  
So, take me in your arms and say you love me  
Hold me close and never let go

Chorus:

Baby, please stay with me  
Your love is heavenly  
Won't you please say it's me  
Have your love forever  
Baby, please stay with me  
Hold me so tenderly  
Won't you please say we'll be  
Be in love together

Lately, it seems like you are always on my mind  
And baby, I want you to be forever mine  
So, hold me close and wrap your arms around me  
Love me with all your heart and soul

(Repeat Chorus)

Every night I see you in my dreams  
Only when I'm with you do I feel complete  
You're the only one who can fulfill my needs  
Baby, please stay, don't go away  
Won't you say you'll stay

(Repeat Chorus)

Won't you please, say it's me forever  
Oh, be in love together
