Let the carcass of your martyr burn
In the process of punishment
Your ashes and embers will light up the skies
Let the carcass of your martyr burn
In the process of

You only have yourself to blame
Take my hands
You'll be burned before their eyes
You'll be burned before their eyes

Let the carcass of your martyr burn
In the process of

Let the carcass of your martyr burn
In the process of punishment
Let the carcass of your martyr burn
In the process of punishment

Let the carcass of your martyr burn
In the process of punishment
Let the carcass of your martyr burn
In the process of

Suspended by the throat
The knot it chokes

The knot it chokes

What more does it take to see your death?

Let the carcass of the martyr burn
In the process of, of punishment

Suspended by the throat
The knot it chokes
