We gape at our neurotic hands and swallow our own
conclusive, unease
Inhaling the somber air and consuming the broadcasts
that mislead
Modified imagery punctures an open wound of
incomprehension within the
Mind
Within the mind!
They perch detached from reality, swigging on the
bottle of manipulation
This empire carries on an evolving lie in the bottomless
eyes of
Corporation greed
For them, ignorance equates strength. a constructed
fantasy they use to
Mislead
