

Job For A Cowboy

"Why?"

It's been so long...

Would it be wrong to call your name?
I think of you,

Wonder if you're still the same.
Bitter tears when we threw love away.
But do you remember like I do?

I cannot avoid this hunger
'Cause I don't need you any longer
Without you I'm so much stronger
For you lately.
Why? Can't I let you go?
Share a love that lasts forever

How? Can I let you know?
Promise I will take care of your heart
We were meant to be together
(Take care of your heart.)
X2

Why? Can't I let you go?
(can't I let you go?)
(can I let you know?)
How? Can I let you know?
We were meant to be together
(be together...)
Share a love that lasts forever
(Take care of your heart.)(forever...)
Promise I will take care of your heart
