Sky, so vast is the sky  
And far away clouds just wandering by..  
Where do they go?  
Oh I don't know, don't know...

Wind that speaks to the leaves  
Telling stories that no one believes  
Stories of love  
Belong to you and me....

Oh Dindi....  
If I only had words  
I would say all the beautiful things that I see  
When you're with me  
oh my Dindi

Oh Dindi...

Like the song of the wind in the trees  
That's how my heart is singing Dindi, happy Dindi  
When you're with me

I love you more today  
Yes I do, yes I do  
I'd let you go away  
If you take me with you

Don't you know Dindi  
I'd be running and searching for you  
Like a river that can't find the see  
That would be me  
Without you my Dindi
