Caroline, yeah, she was my kinda girl
Then she up and fell in love with herself
Thinks she's gotta be some celebrity
I just gotta know, is she leaving me?
I called her on her cell phone
She got no reception
Sounded like a dead zone
Cuttin' out like ah ah ah ah ah ah ah ah
Like a game show
I bombard her with questions
Like a caught-off-guard contestant
She's stuttering like uh uh uh uh uh uh uh uh
She must be dreaming, oh, she must be dreaming
Sounds like she's going oh oh oh oh out of her mind
Sounds like she's going rock star
Swagger like a hot shot
Caroline, whoa Hollywood took the girl
She'll be fine, whoa
Living on the top of the world
Egotistical, in her perfect world
Everybody but her would be invisible
Lives a fantasy, popularity
Can't even look me in the eyes and be straight with me
Cause she goes back to stammerin'
Like a broken record echoin'
I see her lips keep moving
But all I hear is ah ah ah ah ah ah ah ah
I'm versatile
Can turn this frown into a smile
I'm gonna man up and tough it out
And laugh it off like ha ha ha ha ha ha ha ha
She must be dreaming, oh, she must be dreaming
Sounds like she's going oh oh oh oh out of her mind
Sounds like she's going, walking over everybody
Thinks we're all just paparazzi
Caroline, whoa Hollywood took the girl
She'll be fine, whoa Living on the top of the world
She's got it going on, Caroline
She's got it going on, Caroline
She's got it going on
She's walking over everybody

Thinks we're all just paparazzi
Swaggers like a hot shot
Ho-ho-ho-ho-hot shot Caroline, whoa
Hollywood took the girl She'll be fine, whoa
Living on the top of the world Caroline
