What is this feeling, fear or remorse? Or something  
beautiful that's gone off-course?  
My hands are shaking and my legs have gone weak,  
the only hop inside me is the chance that I might sink.  
If you can see me taking turns than your probably right.  
I think Ill try to pretend but it wont be tonight.  
Then I'll wake up tomorrow to find out that I have lost it  
all just when everything was going right.  
Help me, heal me, love me. Introduce things of new.  
Never desert me.  
I believe that you can make it right.

Turn it up, and take it away.  
I know exactly where I stand.  
I know we were meant to fall.  
I hear you call and I'm coming.

From the start of all creation, losing sight of motivation.  
The key to our salvation is the gift of our redemption.  
The only way to survive is to give your life, and cry out.  
To the one that you've forgotten, because he's loved  
you from the start of this.

I'm coming back from a fall, and nothing else can  
stand in my way.

And it starts now, can you feel it?  
When you give your life to Jesus, and then everything is  
better.  
Thank you god, it's so much better.  
You laugh and cry and emotions will flow.  
Your living your life and thats how it goes.  
An anthem is sung for us, the redeemed.  
A song for...We-the-fallen.
