Who said goodbye?
Running away, I couldn't hear the faintest whisper of a
sweet "hello", let alone "goodbye".
I'm running away from all I know, saying goodbye to all
that's go...
Don't rip my heart out and then put it back again.

I'm running away from all I know.
Is this because of my sin?
Saying goodbye to all that's go...
And when I go, I scream goodbye...
Don't rip my heart out and then put it back again.
I don't think I could take anymore this.
I'm running away from all I know.

Take my heart, take it quick.

Free my soul, make it sick.
Take my heart, take it quick.
Take the pain, go away.
Leaving my pain of yesterday.
New day comes, hate the sun.
Don't look your head if you know whats coming.
Lift your head, feast your eyes on what you love.
Leaving my pain behind is all that i know.
Leaving my pain behind.
