Your technique  
It leaves me weak  
My heart knows  
It's the beat I seek

And I found it  
(Just got lucky)  
Oh yes, I found it  
(Just got lucky)

I never worry  
That your love is fake  
I'm free and easy  
And I'm feeling jake

'Cause I found it  
(Just got lucky)  
Oh boy, I found it  
(Just got lucky)

'Cause I never felt  
This way before  
Like a dog always  
Begging for more, yeah

I've been fooled  
By love so many times  
I gave up all the silly rhymes  
Kept my feelings  
All inside my heart

A locked door  
No key was cut  
There was no fit  
Now I'm such a very lucky guy  
Gang way one side now  
Come on here me say

We found the answer  
And it's plain to see  
(Come on here me say)  
I'm for you and you're for me

'Cause I found it  
(Just got lucky)  
Together we found it  
(Just got lucky)

I feel a quiver  
Every time we kiss  
The sky's the limit  
With a love like this

'Cause I found it  
(Just got lucky)  
Together we found it  
(Just got lucky)

'Cause I never felt  
This way before  
Like a dog always  
Begging for more, yeah

I've been fooled
