Earthling  
I love the way that you walk  
Earthling  
I love the way that you walk  
With your three little legs draggin' on the ground  
Now when you walk  
The people talk  
Earthling  
I love the way that you prance  
Earthling  
I love the way that you prance  
With your two little feet inches off the ground  
O you're so advanced  
You can even dance  
I guess I forgot  
Been 7000 years since I could walk that way  
C'mon show me how to play  
Yea I must 'a forgot  
Now I have to know what makes you move the way you  
do  
I wanna examine you  
Earthling  
I love the way that you talk

Earthling  
I love the way that you talk  
With just one little mouth you could blow up the world  
Now when you talk  
The people walk  
Yea I guess I forgot  
Now I have to know what makes you move the way you  
do  
I wanna examine you  
C'mere Earthling  
Let me take you aboard for awhile  
Let me just have a look  
I wanna examine you  
Now I put you here  
I just wanna see how you're doin'  
C'mon now pull 'em down and let me see  
Cough. Stick out your tongue and say, "Ah."  
Say what's a nice little being like you doin' on a dump
