J: Hey, let's bring it down now, yo!

B: what?!

J: I wanna do some rappin', feeling good,
all up in you buisness, up in da hood
Homies all chillin with the peeps
And my girl, she for the keeps.

What? What? Jocko here!
What? What? Da monkey!

Yeah, I poop but well so what?
I'm a rich monkey, don't live
in no hut
I got the style, got the bling..
Hey, just cuz I ain't human don't

mean no-thing!

What? What?
What? What?

Bob: Yeah, he tellin' you the truth
Listen to him, what you got to lose?
Well, here's somethin I gotta say-
He's smart, he's cool
So let me lay down the rule-
He's the finest monkey
With an urge to drool

J-O-C-K-O..(the pooper monkey)
J-O-C-K-O..(the pooper monkey)(x2)
