Doo-doo-doo-doo-do-doo (repeat 3x)
Cherish is the word
I use to describe
All the feelings that I have
Hiding here for you inside
Hey-hey-hey-hey
You don't know how many times I wish that I had told
you
You don't know how many times I wish that I had held
you, yeah
You don't know how many times I wish I could mold you
into someone

Chorus:

Cherish me as much as i
(who could cherish me)
As much as i
Cherish you
As much as I cherish you

Cherish is the word
That more than applies
Ooh, oh
There's a hole in my heart
Each time I realize, yeah
That I am not gonna be the one to share your dreams
That I am not gonna be the one to share your schemes
I am not gonna be the one share

Cherish me as much as i
Every night and day with you baby
Cherish you

Oooh, oh, oh
Ooh, oh, oh
Ooh, oh, oh
Cherish (repeat 17x)
You don't know how many times I wish I had told ya
You don't know how many times I wish I had held you
You don't know how many times

I wish I could mold you into someone

Cherish me as much as i

Cherish you

Cherish me as much as I cherish you
