Girl it's worse than drugs
Cause I'm an addict over you
And you know that i

Chorus:

I can't leave you alone
You got me feenin
Feenin you got me feenin
Got me goin crazy
I can't leave you alone
You got me feenin
Girl I'm feenin for you

Said I'm feenin for you
I don't have a mind
It's all blown on you, baby
Girl I'm so strung out
All I do is wish for you
So tomorrow if you're not here
Then girl I'm down
So I need you near
I just wanna make it through the night
So hold me tight
Then girl I'm alright

I can't leave you alone
You got me feenin
Girl you got everything that I need, got everything that I
need

I can't leave you alone
You got me feenin
Girl I'm feenin for you

Lady I'm hooked on you
There's nothing else I'd rather do
Spend my last dime
For a drop of your time
Cause you're the girl without a doubt
You know you got me strung out
And I need you more
And more
Cause you are my joy

You got me feenin
You got me feenin
You got me feenin yes you do
I can't leave you alone
You got me feenin
Girl I'm feenin for you
I can't leave you alone
You got me feenin
I can't leave you alone
You got me feenin
Girl I'm feenin for you
I can't leave you alone
You got me feenin
Girl I'm feenin for you
I can't leave you alone
You got me feenin
Girl I'm feenin for you

You got me feenin
Girl I'm feenin for you
