"Freak 'n You"

Freak'n You
I wanna freak you
(repeat 8x)
Every time i close my eyes
I wake up feelin' so horny
I can't get you outta my mind
Sexin you be all i see
I would give anything
Just to make you understand me
I don't give a damn about nothin' else
Freak'n you is all i need
Tonight i need your body
Tonight you got my time
Tonight you won't be sorry
Tonight you got my mind
You got my mind all i wanna do is freak you
What must i say
What must i do
To show how much
I think about freak'n you
Baby, what must i say
What must I do
To show how much
I think about freak'n you
I could go on for days
But i couldn't go on for weeks
I can even play with another body
But it wouldn't last cause i'm a freak
I am everything you see
To go by everything you do
And at night when i close my eyes
I only dream of freak'n you
Tonight I need your body
Tonight you got my time
Tonight you won't be sorry
Tonight you got my mind
Whatever you want baby it will be fine so fine
What must i say
What must i do
To show how much
I think about freak'n you

What must i say
What must i do
To show how much
I think about freak'n you
Freak out
And freak me up and down
DeVante swing
Freak out
And freak me up and down
Freak out
And freak me up and down
Every freak'n night
And every freak'n day
I wanna freak you baby
In every freak'n way
Every freak'n day
Every freak'n night
I wanna freak you girl
Your body's so freak'n tight
(repeat 1x)
What must i say
What must i do
To show how much
I think about freak'n you
What must i say
What must i do
To show how much
I think about freak'n you
What must i say
What must i do
To show how much
I think about freak'n you
I think about freak'n you
I wanna freak you
