Ohhhhh ohhhhhh
If lovin you is all that I have to do
No no no no
I don't want to do anything else
Oh yeah
Oh baby baby
If lovin you is all that I have to do
I don't want to do anything else
If lovin you is all that I have to do
I don't want to do anything else
I don't wanna do anything else, baby baby
If lovin you is all that I have to do
I don't want to do anything else
Listen baby
Every night and day
I dream of another way
To tell you something good
I don't think that I'm understood
You walk away and I frown
With my head hung far down
You tell me what is wrong
You just wanna be loved all night long, baby

Chorus:

If lovin you is all that I have to
(I don't wanna do) I don't want to do anything else
Yeah
Won't you tell me, baby
If lovin you is all that I have to do
Ohhhh
I don't want to do anything else (I don't wanna do)
Mary, mary, mary, mary, mary

You told me a thousand times
That you would be mine, all mine
I do everything for you
But in your smile
I still can't find
And now you tell me this
This is something that I can't miss

And all you wanna do
Is to love me for me
And I love you for you, yeahh

If lovin you is all that I have to do
I don't want to do anything else
I don't wanna do
I don't wanna do anything else
No no no no no no
If lovin you is all that I have to do
I don't wanna do nothing else
(no no no no...)i don't want to do anything else

Listen baby
Now that I know I'm gonna make love to you
So lady
Open up your heart
And let me in where I belong
If lovin you is all that I have to do
Then it won't be wrong, baby
Cause we belong together, babyyyyy
Together
We will be as one
Just me and you
You you youuuuu
Will you love me
I will love you
Will you please me
I will please you
Girl, don't leave me
I won't leave you
Let's make it easy
I'll make it easy
Will you love me
I will love you
Will you please me
I will please you, please you
Girl, don't leave me
I won't leave you
Let's make it easy
Ohhhh

If lovin you is all that I have to do
They can take my possessions
I don't want to do anything else
They can never take your love away from me
If lovin you is all that I have to do
Ohh ohh
I don't want to do anything else
Mary, mary, mary, mary, mary
Ohh see

Now listen
With every breath I breathe
And every beat of my heart
I know that no one
I know that no one
Can tear us apart
If lovin you is all that I have to do
Oh no no
Cause I love you, baby
I love you too
And I need you baby, yeah
I need you too, baby
If lovin you is all that I have to do (if lovin you)
(stay with me) i don't want to do anything else
More than just today (I don't wanna do anything else)
And you know, you know, you know
If lovin you is all that I have to do
No no no
I love you
I don't want to do anything else
Oh yes
Oh, you make me feel so good, baby
