Either you with me or against me
Tell me what you wanna do
Do you wanna be with me
Baby you lookin' so good tonight
I can't control myself
I wanna take you home with me
And lay you on your back
Take off all your clothes
Make love to you like you never ever known
And i'ma take my time
And give it to you right
I wanna make love to you all night

I just wanna make love to you
(I'm gonna give it to you so good, baby)
But we got to do it right
(oh you got to do oh)
I just wanna make love to you
(just hold the back of my head)
I don't wanna fuss and fight
(as I stroke you back and forth)
I just wanna make love to you
(real slow, real slow)
But we got to do it right
(nice and easy, nice and easy)
I just wanna make love to you
That what I'm gonna do all night long, y'all
I don't wanna fuss and fight
Ain't no one gonna interrupt our love making

24/7, 365 days of the year
All I wanna do is just have your body near
All I wanna do is do you so right
All I wanna do is make love to you all night
24/7 365 days of the year
I'll do anything to have your body here
Let's fly high, like the bird we call a dove
Let's fly high when we makin' love

I just wanna make love to you
Ooh but we got to do it right

I just wanna make love to you
I don't wanna fuss and fight
I just wanna make love to you
But we got to do it right
I just wanna make love to you
I don't wanna fuss and fight

Baby you're lookin so good
You look so nice
Do you wanna dance
Boy I don't mind
Take my hand and follow me
I thought that you would never ask me
Let's dance the night away
You're gonna think that when you're makin love on the
dance floor
I'm gonna do so many freaky things to you
I'm gonna hold you so close
Grind on ya real slow
I'm gonna make you wanna get your coat and come on
home with me

I just wanna make love to you
(that's my mission baby)
But we got to do it right
I just wanna make love to you
I don't wanna fuss and fight
I just wanna make love to you
But we got to do it right
I just wanna make love to you
I don't wanna fuss and fight
I just wanna make love to you
