I was sitting at home
Thinking to myself
Started thinking 'bout you
How much I do love you, I really do
I would never trade you
Never foresake you
Cause nothing could be better
That's why I wrote you this letter
I love you always, lady
Chorus:

Last night, I wrote a short letter
And it went this way
Dear baby I love you
Just thinking of you
Love always
Last night, I wrote a short letter
And it went this way
Dear baby I love you
Just thinking of you
Love always

Now I know I could've called
But it seemed much better this way
Cause I'm missin my baby
I'm so blessed you're my lady
You're my lady, you're my lady
Now I know I can't wait until tomorrow
When you're in my arms again
Holding and kissing you
Doing the things we love to do
Until then

Last night, I wrote a short letter
And it went this way
Dear baby I love you
Just thinking of you
Love always
Last night, I wrote a short letter
And it went this way
Dear baby I love you

Just thinking of you
Love always

Oooooooh, ooh baby
Ooooooh, I thought about the things you do for me
I thought about the things you wanna do for me, baby
Oooooooh, ooh baby

Last night, I wrote a short letter
And it went this way
Dear baby I love you
Just thinking of you
Love always
Last night, I wrote a short letter
And it went this way
Dear baby I love you
Just thinking of you
Love always
Last night, I wrote a short letter
And it went this way
Dear baby I love you
Just thinking of you
Love always
Oh baby

I love you, I love you, I love you
And there is nothing that I wouldn't do
Just to prove
That I really really love you
And baby I want you, I want you, I want you
And there's nothing that I'd rather do
Than to love you
I love you always
Every night and every day
