Yeah baby, this ain't no remix here
So if you want this, come and get this
Yeaahhh baby
Do you wanna pump, do you wanna pump wit me
(repeat 3x)
Jojo, show them what you got (?)
Don't wanna get sexy baby
If you don't wanna get nasty
Maybe we can compromise
And both get a little bit freaky
(and slide) right over here
And let me rub that body
Maybe you would like it, girl
It might get you in the mood-gee yeah

Chorus:

Let's go through the motions, baby
(let's go through the motions, baby)
Let's go through the motions, baby
(every night and every day)
Let's go through the motions, baby
(yeahhhh yeah)
Let's go through the motions, baby
(yeahhhhhh)

Yo, this is a new jodeci format, baby
K-ci step to the mic

So won't you tell me do you like it, girl
Cause I love how you move around
Let's take it to the floor, lady
Let's move up and down
We don't have to do such, lady
Let's just make the sound
So tell me girls are ya with me
And all of us could get down

Let's go through the motions, baby
(tell me girls are ya with me)
Let's go through the motions, baby

(tell me are ya with me)
Let's go through the motions, baby
(I wanna, I wanna know now)
Let's go through the motions, baby

Mr. dal, you up next
Yo, I be damma' in ya slamma'(? !?)
Baby check my gramma'
And I go long cause mr. dalvin got stamina
And I be hittin skins, makin ends
But your man couldn't touch me by the hairs on my
chinny chin, nigga
I fake a freak I'm not faking the f***in freak
(my style is under cover)
No cummin on my sheets
So hit me up
Or we will ? ? ? ?

It won't be long
We can go home
If you wanna go home
I say it won't
I'll say it again
It won't be long
If you wanna moan
Cause you look so sexy, baby
You really turn me on

Do you wanna pump, do you wanna pump wit me (x2)
Let's go through the motions, baby
Do you wanna pump, do you wanna pump wit me (x2)

Let's go through the motions, baby
Feel you all around
Do you wanna pump, do you wanna pump wit me (x8)
