Just like a birdie  
I just wanna fly free  
So high, so high  
And own a piece of land  
Somewhere, somewhere  
Off in a country  
Oh, oh yeah, listen  
Temperature like a hundred degrees  
Like I got chains on me  
Black male and a family of 3  
Been robbed of my destiny  
Reckon I'll fly away  
Cause it's too much for this man  
Shouldn't 'a gone down this way  
What happened to my masterplan  
Cause I can't figure out  
I could have been a love child  
Shouldn't 'a gone down this way  
Tell me, how did I get life

Chorus:

Life life  
Life life  
Life life  
Life life  
(repeat)

Oh somebody done done me wrong  
Done me wrong  
My eyes to the ceiling all night long  
All night long  
Time is slippin away from me  
Away from me  
And it ain't no tellin when I'll get home  
Gotta get home, yeah  
Just about to see the dollar sign  
That's close to a peace of mind  
And everything was about to be fine  
So tell me  
So how did I get life

Life life  
Life life  
Life life  
Life life  
(repeat)

Everything  
I hoped for  
Is gone now  
Buried in the ground  
Hopes and dreams  
And all those things  
I'll never see, said I'll never see  
Somebody gave me life  
Yeah yeah  
Yes they did  
Ooooooooooooooooooh life  
(chorus)
