One, two
Girl what you wanna do
Baby pump me while i pump you
You and I together
Can work it from 9-5
'cause you know I'm with wahtever
To keep you satified
Said I see you shakin your body
And I know you aint shy, sexy
And I all ask is one thing girl
Is baby can you work with me

Can you pump it back
Ohh, to and fro
So here we go-
To and fro-
Girl let your body roll

Now baby all night long
You've been dancing close to me
And it's started feelin so nice
And my body got all sweaty
Girl I'm geting my keys to my car
I wanna take you home with me
And we'll be one on one
Yes, pump pump
And I pump you

Pump that body
Round and round, up and down
Baby don't stop
'cause I feel right now
Round and round, up and down
Baby don't stop lets make that sound
Round and round, up and down
Baby don't stop 'cause i feel right now

Pump that body
One two, girl what you wanna do
Baby pump me while I pump you
Can you do, can you do

I said pump it back
All night long
Can you give me a little bit more of your body
Baby you need to let me know
Can't nobody pump it like a booty from the ghetto
Round and round, up and down
Baby don't stop, let's make that sound
You need to let me know
Baby baby baby
