Chorus:

If you gave me all your heart
And I just gave you all my soul
Then why can't we, be happy
Good loving, no fronting, come on girl
Just show me something
Why can't we, just be happy, oh girl

Stevie j:

Such a sticky situation
Your girlfriends say, I am not for you
Though you're the object of affection
No matter what they say, I'm gonna rush to you
Here's an open invitation
A trip around the world, I'll make you my girl
There will be no hesitation
My love is waiting, so tell me what you gon' do

If you gave me all your heart
And I just gave you all my soul
Then why can't we, be happy (oh)
Good loving, no fronting (ooh)
Come on girl
Just show me something
Why can't we (why can't we?) just be happy (be happy),
Oh girl if you gave me all your heart
And I just gave you all my soul
Then why can't we, be happy (oh)
Good loving, no fronting, come on girl,
Just show me something, why can't we (why can't we)
Just be happy, (oh oh) oh girl

Dalvin:

Girl I just wanted to let you know
How much you turn me on
Ooh I feel you're strong
Your body is my inspiration
What I would do for you

Honey you have no clue
Ever since the day I met you
You stayed on my mind
Damn you are so fine
Come on now trust me with all your love
I swear I'll set you free
From all your misery

If you gave me all your heart and I gave you all my soul
Then why can't we (why can't we?) be happy (woh oh)
Good loving, no fronting,
Come on girl just show (tell me) me something
Why can't we (I need to know) just be happy (eh), oh
girl

If you gave me (your heart)
All your heart
And I gave you all my soul (my soul)
Then why can't we be happy (be happy),
Good loving
(hey) no fronting
Come on girl
Just show (do me baby) me something
Why can't we just be happy, oh girl

(if I gave you all!)

If you gave me all your heart
And I just (hey) gave you all my soul
Then why can't we (eh, woo-ee), be happy (woo-ee)
Good loving, no fronting (good love)
Come on girl (good love, baby) just show me
something
Why can't we (eh)
(woh ohh yeah) just be happy, oh girl

Eh eh eh eh eh, eh eh eh eh eh
Check this out, check this out
Eh eh eh eh yeah, just bounce, just bounce

Come on
If you gave me all your heart
And I gave you all my soul
Then why can't we (why can't we?), be happy
Good loving (oh), no fronting, come on girl
Just show me something (oh yeah)
Why can't we (yeah)
Just be happy, oh girl (if I gave you!)

If you gave me(ooh, baby!) all your heart
And I gave you all my soul
Then why can't we

(gave you all my heart) be happy, good loving, no
fronting (and my soul)
Come on girl, just show me something
Why can't we, just be happy, oh girl

If you gave me all your heart
And I gave you all my soul
Then why can't we, be happy
Good loving, no fronting, come on girl
Just show me something
Why can't we, just be happy, oh girl
