Come And Talk To Me
I Really Wanna Meet You Girl
I Really Wanna Know Your Name

Whoa!

Come And Talk To Me
I Really Wanna Meet You Girl
I Really Wanna Know Your Name {Oh Yeah}

You Look So Sexy
You Really Turn Me On
Blow My Mind
Everytime I See Your Face Girl

You Look So Sexy
You Really Turn Me On
Blow My Mind
Everytime I See Your Face Girl...

[Verse 1:]
I've been watching you
for so very long.
Trying to get my nerves built up
to be so strong.
I really want to meet you
but I'm kinda scared.
Cause your the kind of lady
with so much class.
I get my thoughts together
for the very next day.
But when I see you lady
I forget what to say.
Your eyes demand
such a beautiful town.
The way you dress and walk,
it really turns me on.
Oh yeah you really turn me on
come on, come on, come on.

[Chorus:]
Come and talk to me

I really wanna meet you
Can I talk to you
I really wanna know you
Come and talk to me
I really wanna meet you
Can I talk to you
I really wanna know you
Oh Oh Oh Oh Oh

[Verse 2:]

There you are again
with the same smile on each day
I wanna know what it is
That makes me feel this way
I wish I could grab you
Tell you what it means to me
To see you walking my way
It really makes my day
Before I go to sleep
and dream about you
I'm a single man
I hope that you are single too
Why do I seek
something to set my mind free
Cause curiosity is bugging
the hell out of me
Talk to me, talk to me
Talk to me baby

Come and talk to me
I really wanna meet you
Can I talk to you
I really wanna know you
Come and talk to me
I really wanna meet you
Can I talk to you
I really wanna know you
Oh Oh Oh Oh Oh

[Bridge:]

You want to tell me your name
let me play your game
You want to tell me your name
let me play your game
I really want you

[x4:]

Cooommme and talk to me(come on come on)
I really want, I really want, I really want, I really want to
know you

[Bridge x2]
