Ohhhhh, wohhhh ohhh, baby
Yeah, baby
Ooooh, baby
Yeah
You've been leaving
Every night at the very same time
You claim you've been going to work
But I ain't seen one damn dime, babe
Does this job require that you
Bring a nightgown trimmed in lace
Cause the one I just bought for you
Disappeared without a trace

Bridge:

Late at night
I hold my pillow tight
And I wish that it was you
I'm up til six o' clock
When you turn the lock
Feelin like I'm abused
Cause baby
I think you're doing me wrong

Chorus:

Fee fie foe fum
Got a feeling you've been creepin with someone (oooh
baby)
How could you do this to me
(yeahhh yeahhhh yeah yeah yeah yeah)
Thought that you really loved me
Fee fie foe fum
Got a feeling you've been creepin with someone
How could you do this to me
Thought that you really loved me

How could you
Try to play me like I was your fool
Why stay
If you wanna play
Baby girl, you got to move

Someone called me late last night

He didn't leave his name
All he said to me was watch your back
Cause your girl is playin games

Late at night
I hold my pillow tight
And I wish that it was you
I'm up til 6 o'clock
When you turn the lock
Feelin like I've been abused
Cause you've got me thinkin
You're doin wrong

Fee fie foe fum (baby)
Got a feelin you've been creepin with someone
How could you do this to me (how could ya, ohhh)
Thought that you really loved me (fee fie)
Fee fie foe fum (yeah, baby)
Got a feelin you've been creepin with someone
How could you do this to me
Thought that you really loved me (oh yeah, baby)
Fee fie foe fum
Got a feelin you've been creepin with someone
How could you do this to me
(all those lonely nights, I laid up alone by myself)
Thought that you really loved me
Fee fie foe fum(I don't have)
Got a feelin you've been creepin with someone (I don't
have nobody to call my own, baby)
How could you do this to me
Thought that you really loved me (fee fie foe fum)
Yeah yeahhhhhh yeah yeah
Fee fie foe fum (ooh, baby)
Got a feelin you've been creepin with someone
(somebody's seein ya)
How could you do this to me (or you're seein somebody
else, I don't know what it is)
Thought that you really loved me (but I gotta know right
now)
Fee fie foe fum
(fades)
