Hit me

All the chronic in the world  
Couldn't even mess with you  
You are the ultimate high  
You know what I'm saying, baby?  
Now check this out

Take my money  
My house and my car's  
For one hit of you  
You can have it all, baby

'Cause makin' love  
Everytime we do  
Girl, it's worse than drugs  
'Cause I'm an addict over you  
And you know that I

I can't leave you alone  
You got me feenin'  
(Got me goin' crazy)  
I can't leave you alone  
You got me feenin'  
Girl, I'm feenin' for you

(Said, I'm feenin' for you)  
I don't have a mind  
It's all blown on you, baby  
Girl, I'm so strung out  
All I do is wish for you

So tomorrow if you're not here  
Then, girl, I'm down, so I need you near  
And I just wanna make it through the night  
So hold me tight, then girl I'm alright

I can't leave you alone  
You got me feenin'  
(Girl, you got everything that I need)  
(Got everything that I need)  
I can't leave you alone

You got me feenin'  
Girl, I'm feenin' for you

Lady I'm hooked on you  
(Oh, I'm hooked on you)  
There's nothing else I'd rather do  
(Nothing else I'd rather do)  
Spend my last dime  
(All of my money)  
For a drop of your wine  
(And you know, oh)

'Cause you're the girl without a doubt  
(You're the girl without a doubt)  
You know you got me strung out  
And I need you more and more  
'Cause you are my joy  
( My joy, joy, joy)

You got me feenin'  
(You got me feenin')  
(You got me feenin', yes you do)

I can't leave you alone  
You got me feenin'  
(You got me goin' crazy, baby)  
Girl, I'm feenin' for you  
(You got me goin' crazy, baby)  
I can't leave you alone  
You got me feenin'  
(I said you got me feenin')

I can't leave you alone  
You got me feenin'  
(Girl, you got me goin' crazy)  
Girl, I'm feenin for you  
(Girl, you got me goin' crazy)  
I can't leave you alone  
You got me feenin'  
(I dunno what I have to do, no)

I can't leave you alone  
(Anything)  
You got me feenin'  
Girl I'm feenin' for you

I can't leave you alone  
You got me feenin'  
I can't leave you alone  
You got me feenin'  
Girl I'm feenin' for you

I can't leave you alone
