Come and talk to me [echoed]  
Can I talk to you [echoed]  
Comeee and talk to me [echoed]  
Ohhhhhho.  
[Talking: kci]  
I wanna love, I wanna luv you, I wanna luv u, I wanna luv  
u [repeated]  
Girl I'm reachin out my hand, tryin to make you  
understand you don't have to be  
Alone, cause I wanna be your man,girl I need u in my  
life, just wanna live  
Right by yo side, so gurl I hope ur satisfied, until u give  
this love a try.  
[chorus]  
Im in need of love and baby ur in need of love so what  
about us on and on and  
On til the break of dawn [repeated 2x]  
[bridge]  
Can u feel, can u feel me cause I can feel u baby.  
[verse 2]  
Satisfaction guaranteed if u come and get wit me, gurl I  
can get down on knees,  
So let me please do u lady, do u lady cause I know  
that's what u need, I'm need  
A love, I need ur love girl listen to me.  
[chorus]  
Shoby doo wop show doo wop I wanna love u I wanna  
luv u baby.  
[chorus]  
[vamp out]  
[ad libs K-ci and JoJo]
