Yeah
I'm not lookin
I'm not lookin
No no no no...
I'm not lookin, oh
No no no no no no, baby
Yeah yeah, yeah,
Don't wanna talk to you (sit down and talk to you)
Oh save it, save it, save it (for a little while, my sugar)
We've been talkin for too long, yeah
Go 'head, go 'head
Yeah yeah yeah yeah yeah
(yeah yeah yeah) what you gotta say
What you gonna say this time
How many lies are you gonna tell
Don't be afraid
About what you're about to hear right now, baby
Listen
Listen (what is it)

I'm not tryin to fall in love with you
I just wanna hit you with my groove (yes I do, yes I do)
What I'm tryin to say
I'm not tryin to be mean (no no no no no)
But baby, can't you respect my honesty
I'm tryin to tell you I'm not lookin, baby

I'm not lookin for no love affair (no no)
Want nobody to tell you that they seen me there (and
you know, you know, baby)
So I don't need you trippin tryin to take me there
I'm not lookin (sometimes you make me feel so sad
when I think about it)for no love affair (but I'm not
lookin, baby baby yeah)
I'm not lookin for no love affair (ooh yeah)
(my my my my...)want nobody to tell you that they seen
me there
So I don't need you trippin tryin to take me there (oh
yeah)

Mary, mary, mary, mary, mary, mary

You think you got (sing it, girl) what it takes to please
me
I'm not impressed by your honesty
Oh no no
I don't need you to tell me I look good
I don't need it, no (I know you don't)
'cause I've been hearing that around my 'hood
And I'm tryin to tell you something

I'm not lookin for no playa shit (no no)

Not when everybody's tryin to get with this (no)
You see I don't need you here just to get a hit
I'm not lookin for no playa shit (oh oh)
I'm not lookin for no playa shit
Not when everybody's tryin to get with this (don't want
it)
You see I don't need you here just to get a hit (don't
want your hits, no no)
I'm not lookin for no playa shit

Where was you when everything was goin down
I left my man and didn't have no one around
See I don't need it, I don't want it
You're not the nigga for it
You think that you can get it
No right now I not gonna let it

Oh, please stop frontin' on that playa shit (oh no)
I heard around the town you was still down with it (oh,
nigga please)
If you think I don't know (oh really)
Sugar, let me tell you so
Let me in
Let's begin
But we argue everything
I'm not lookin for no playa shit (yeah yeah yeah)
Oh, not when everybody's (I'm not either, baby baby)
tryin to get with me all day and all night, you fool
I don't need it, I don't need it (yeah yeah, yeah yeah
yeah, yeah yeah)oh

I'm not lookin for no love affair
I swear I'm tired of playing games (my my my my...)
I don't wanna be down, go 'head, go 'head (go' head)
I don't wanna be down (oh)
I'm tired of playing games
Tired of chasing your egomaniac, egotistical, chest
stickin out (oh baby), think you god's gift to the world,
oh (that's not me, that's not me, that's not me)
Hate to do it to ya like this (you oughta know right now,

baby), but I gotta do it 'cause it's only right
To let you know that I'm not lookin for no arrogant,
egotistical, playa shit
I hear you
Do you really hear me, then hear this (I understand
you, baby) I'm sick and tired of chasing you
Sick and tired of owing you (I said I hear you)
Go 'head, go 'head
All my ladies stand up (I understand you) and clap if ya
feel me, if ya feel me
Come with something better than that please
I'm sorry, mary
I know you're sorry
