Baby, baby, baby, baby
I was thinking about you last night
The way you looked last night
You left me satisfied

It takes two to tango
Tell me can you handle?
Come on, you know
You know, you want s-more

You know, you want s-more
You know, you want s-more
And if you want s-more, open up my door

You know, you want s-more
You know, you want s-more
If you want s-more, open up my door

I hear you knocking at my door
Lets me know, you want more
Come and get it, if you with it

I'll touch you, how you like it
Is it sensitive, do you wanna give
Give s-more? Open my door

Lady, lady, lady
You were bragging on the phone
About the things you could do to me

When we're alone, baby, baby
You know what I got to give
Do you want it, do you want it? Tell me if

You know, you want s-more
You know, you want s-more
And if you want s-more, open up my door

You know, you want s-more
You know, you want s-more
If you want s-more, open up my door

I hear you knocking at my door
Lets me know, you want more
Come and get it, if you with it

I'll touch you how you like it
Is it sensitive, do you wanna give
Give s-more? Open my door

I hear you knocking at my door
Baby, knocking, baby, knocking, baby
Knocking, baby, you know you knocking
And you want s-more, I know you want s-more
You want s-more, you want s-more, baby

Open up my door
You know, you want s-more
You know, you want s-more
You know, you want s-more
You know, you want s-more
You know, you want s-more
You know, you want s-more

You know, you want s-more
You know, you want s-more
And if you want s-more, open up my door

You know, you want s-more
You know, you want s-more
And if you want s-more, open up my door

I hear you knocking at my door
Lets me know, you want more
Come and get it, if you with it

I'll touch you how you like it
Is it sensitive, do you wanna give
Give s-more? Open my door

Give me s-more, that's it, yeah, baby
Give me s-more, that's it, yeah, baby
Give me s-more, that's it, yeah, baby
Give me s-more, that's it, yeah, baby
