Maybe he's right  
Maybe there is something the matter with me  
I just don't see how a world that makes such wonderful  
things  
Could be bad  
Look at this stuff  
Isn't it neat  
Wouldn't you think my collection's complete  
Wouldn't you think I'm the girl  
The girl who has  
Everything  
Look at this trove  
Tresures untold  
How many wonders can one cavern hold  
looking around here you'd think  
Sure, she's got everything  
I've got gadgets and gizmos a plenty  
I've got whosits and whatstis galory  
You want thing-a-ma-bobs, I've got 20  
But who cares, no big deal, I want more  
I want to be where the people are  
I want to see, want to seethem dancing  
Walking around on those  
What do you call them... oh, feet  
Flipping your fins you don't get to far

Legs are required  
For jumping, dancing, strolling along down a... what  
that word again,  
street  
Up where they walk  
Up where they run  
Up where they stay all day in the sun  
Wandering free  
Wish I could be  
Part of that world  
What would I give if I could live out of these waters  
What would I pay to spend a day warm on the sand  
Bet ya on land  
They understand that they don't reprimand their  
daughters  
Bright young women

Sick of swimming  
Ready to stand  
I'm ready to know what the people know  
Ask 'em my questions and get some answers  
What's a fire and why does it... what's the word, burn  
When's it my turn when I love love o explore the chore  
of above  
Out of the sea  
Wish I could be  
Part of that world
