Though you don't want me now
I'll get along somehow
And then I won't
Want
You
(I've always been true yes I've always been true)

I know that someday
You'll want me
To want you
When I'm in love
With somebody else
You expect me to be true
And keep on loving you
Though I'm feeling blue
You think I can't forget you

Until someday
You'll want me
To want you
When I am strong
For somebody new (for someone new yes for someone
that's true)

And though you don't want me now
I'll get along somehow
And then I won't (no I won't)
Want
You (I've always been true yes I've always loved you)

And though you don't want me now
Well I'll get along somehow
And then I won't (no I won't)
No I won't want you
(I'll want someone who's faithful and true and then you
will want me)
