[Chorus:]

Early in the morning, thinkin bout gettin this money  
All I know is I gotta get dat paper  
My momma told me son you gotta go and get it  
Now I'm gettin it the best way I know how  
I wont let you down, I wont let you down  
I wont let you down, can't let you down  
I wont let you down, I wont let you down  
I wont let you down, can't let you down  
I wont let you down

[Verse 1:]

Yea nigga we gon hustle (hustle)  
Yea nigga we gon grind (grind)  
Yea nigga we get money (money)  
Yea nigga we gon shine (shine)  
See I don't know wat u trappin

Dat M to da O, N-E-Y

[Chorus:]

Early in the morning, thinkin bout gettin this money  
All I know is I gotta get dat paper  
My momma told me son you gotta go and get it  
Now I'm gettin it the best way I know how

I wont let you down, I wont let you down  
I wont let you down, can't let you down

I wont let you down, I wont let you down

[Verse 2:]

Yall know we run da town, I keep the kush by da pound  
I got niggaz on da block, I can't afford to let em down  
Up early in the morning, another day in the life  
Whippin dat pale bitch and I aint talkin Vanna White  
I hustle, I grind, for money, I get it  
The trappin, the block, I'm fully, committed  
Sellin anything for profit, I'm tryna stack up my digits  
U niggaz can't stop my hustle  
U pussy niggaz can get it  
We do it for the streets cuz we know u niggaz feel it  
And everything we talk about, believe a nigga did it  
Gorilla FUCKED up, bullshit, I aint wit it  
I'm takin some black shirt, pants, black fitted

[Chorus:]

Early in the morning, thinkin bout gettin this money  
All I know is I gotta get dat paper  
My momma told me son you gotta go and get it  
Now I'm gettin it the best way I know how  
I wont let you down, I wont let you down  
I wont let you down, can't let you down  
I wont let you down, I wont let you down  
I wont let you down, can't let you down  
I wont let you down
