Lips make a smile on my face eyes don't let him see
you she'd a tear
Heart don't let him hear you skip a beat
And pride don't let him know how much I care
Don't let him know don't let him know how much I care
Laugh dance and sing so he won't notice the hurt that's
still burning deep inside
And don't let him see the way I tremble don't let him
know how much I cried
Don't let him know don't let him know how much I cried
[steel + strings]
Oh don't let him know don't let him know how much I
cried
