The school board says he can't come to school, no  
more  
Unless he wears his hair like he wore it before.  
The PTA and all the mothers, say he ought to look like  
the others.

Home of the brave, land of the free  
Why wont you let him be what he wants to be

The kids all laugh at his hair and funny clothes.  
And more than once he's gone home with a bloody  
nose  
He's not like them and they can't ignore it. So they all  
hate him for it.

Home of the brave, land of the free  
Why wont you let him be what he wants to be

It really burns me up, when they put him down  
He's the only one whose saying something in this whole  
town  
Instead of those the trouble they hand him, why don't  
they try to understand him.

Home of the brave, land of the free  
Why wont you let him be what he wants to be  
He never hurt nobody,  
Why wont you let him be what he wants to be  
He just a little bit different.  
Why wont you let him be what he wants to be  
You got to understand him.  
Why wont you let him be what he wants to be
