Gather round girls you I grew up with my old friends
that I used scuff with
Need you round me at this time
You've all had your turn to cry and old friends stood
closely by
Friends of mine stand by me cause it's my time
It's my time it's my time it's my time
It's my time to cry ah ah ah it's my time to cry oh oh oh
It's my turn to cry yeah yeah yeah it's my time

Gather round boys I used to play house with
Come here boys I first kissed on the mouth with
I need your tender words so kind
You've all had your misty eyes but old friends stood by
to dry
Friends of mine stand by me cause it's my time
It's my time it's my time...
It's my time to cry...
It's my time to cry ah ah ah...
