[with Johnny Paycheck]

Let's all go down to the river there's a man who's
walking on the water

Come along with me all I want to see this man walking
on the water

Well he can raise the dead from the grave change the
water and turn it into wine

He can make the lame walk he can make the donk talk
And open up the eyes of the blind
Oh let's all go down to the river...

Jesus is the man at the river and he's washing people's
sins away

He can save the soul if you give him control be ready
for that judgement day

Let's all go down to the river...

Let's all go down to the river...

Let's all go down to the river...

Let's all go down to the river...
