Oh my heart skips a beat when we walk down the street  
I feel a trembling in my knees  
And just to know you're mine until the end of time  
makes my heart skip a beat

Well I did a double take the day I met you  
My heart turned a flip as I stood next to you  
And I knew right then I never could forget you yes you  
are my every dream come true  
And my heart skips a beat...

[ steel ]

Oh you came into my life without a warning  
And you turned my cloudy skies from grey to blue  
You're my sunshine that comes up every morning  
Yes you are my every dream come true  
And my heart skips a beat...
